THANK YOU FOR JOINING US!

OCT 2-4, 2012

Eat with us. Play with us. Pray with us. Learn with us.

WELCOME TO THE LIVING ROOM SUMMIT

We are delighted that you will be joining us and thought that the following information might be of help to you. We are proud to share some of our deepest passions and to share them in our own homes. It just seems right that going deeper into family ministry should be learned in the midst of living rooms. By providing three different practical approaches to family ministry, we are certain you will come away with a plan and the resources to strengthen your ministry.

What to expect...

- A living room setting, inviting casual, participatory learning in the midst of a small group
- Lots of hospitality
- Home cooked meals
- Daily time for spiritual and personal reflection, including hiking or quiet spaces to sit, reflect, and plan
